**April, 2024****Dear Hiring Manager,**

I am writing to express my interest in the Internship opportunity for a Web Developer at Cloudstaff. Currently pursuing a Bachelor of Science in Information Technology majoring in Web Development at Holy Angel University, I am eager to apply my theoretical knowledge in a practical setting and gain valuable industry experience.

As a student, I have developed a solid foundation in responsive web design, database management, and graphic design. My academic journey has been marked by consistent excellence, including multiple semesters on the Dean's List. Additionally, I have actively pursued certifications and attended seminars to enhance my skills and stay updated with industry trends.

I am particularly drawn to Cloudstaff for its reputation as a hub of innovation and growth opportunities. I am eager to learn from experienced professionals and contribute to projects that push the boundaries of web development. With a strong passion for continuous learning and a drive to excel, I am confident in my ability to make meaningful contributions to Cloudstaff as an Intern. Thank you for considering my application.

**With appreciation,****Daryll Medina**

General Manager
